BEST PRACTICES GUIDE TO

VALID DISMISSAL

Everything You Need to Know
About Employee Termination Laws

FRIDAY, 26 OCTOBER 2018 * 9:00AM TO 5:00PM
MANILA MARRIOTT HOTEL, PASAY CITY, PHILIPPINES

This one-day special seminar is a complete guide to what HR practitioners, lawyers, and business owners must know about valid dismissal of employees. We will teach you the substantive and procedural due process on just cause for termination such as serious misconduct, sexual harassment, insubordination or willful disobedience, neglect of duties, abandonment of work, fraud, willful breach of trust and confidence, commission of a crime or offense, and other causes of dismissal under Article 282.

We will keep you updated on the latest Supreme Court rulings, tell you stories and examples to emphasize lessons, and present to you best practices solutions to solve your HR problems. Whether you are dealing with regular, probationary, fixed period, project-based, seasonal, or casual employees, there are ways to downsize or right size your workforce without getting into trouble.

Firing an employee incorrectly can be a very costly action that can lead to lawsuits and consequent payments of back wages, separation pay, moral and exemplary damages, among others, that may be awarded by the courts to the illegally dismissed worker. Before you fire anyone or put them under preventive suspension, attend this seminar and learn everything you need to know from the experts about termination laws.
