

Best Practices in

RESOURCE MOBILIZATION AND MANAGEMENT FOR PRIVATE COLLEGES AND UNIVERSITIES

**THURSDAY AND FRIDAY, AUGUST 2 & 3, 2018 *9:00AM TO 5:00PM
MANILA MARRIOTT HOTEL, PASAY CITY, PHILIPPINES**

The best schools in the world know how to optimize resource mobilization which is vital to the growth and development of educational institutions. Resource mobilization includes all the actions taken by an organization to ensure that it has the resources it needs to properly implement its strategy.

This two-day capacity building for private colleges and universities aims to enhance the knowledge and skills of the participants in recognizing and generating the funds and other resources for their educational institution and finding ways to utilize them to the fullest.

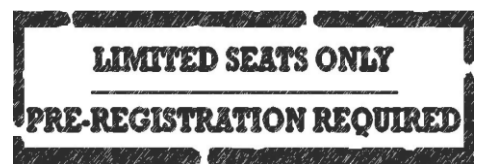

Participants will learn the best practices in developing a resource mobilization and management action plan, new concepts and approaches on value creation, integrated thinking, asset management, and many more! Take advantage of this rare opportunity to learn useful topics that are never really taught in any school.

Who Should Attend:

This training is beneficial for school owners, board directors and HEI officials including managers, officers, and executives, who are involved in administration, planning, finance, human resource management, infrastructure development, linkages and external relations, and corporate reporting. It is ideal if a group of these officials attend together to ensure the crafting of a resource mobilization and management plan.
