

LOCAL GOVERNMENT & REAL PROPERTY TAXATION

UPDATES. RULINGS. REMEDIES.

Friday, August 17, 2018 * Manila Marriott Hotel, Pasay City, Philippines * 9:00am to 5:00pm

Taxpayers who know their local government and real estate taxation are empowered to seek redress and remedies should they be over-burdened by or saddled with multiple and unreasonable LGU fees and taxes. Local government officials who understand the LGU taxation are more effective in their governance, administration and implementation of the LGU code.

This one-day seminar will cover two major parts, namely: (a) Local Government Taxation, covering the rules, extent, and restrictions on the imposition of license taxes, fees, penalties by LGUs in the provinces, cities, municipalities and barangays; and (b) Real Property Taxation, a system of levy on real property imposed on a country-wide basis with discussions including special levies, property tax exemption, remedies of taxpayers, procedures in protesting real property tax assessments, and more!

This comprehensive lecture can save taxpayers millions in taxes and consulting fees and provide LGU officials very clear guidance in enacting ordinances. Attendees shall be provided many examples of decided cases, rulings, updates, solutions and remedies to their most encountered problems.
