

# RESOLVING RIGHT-OF-WAY ISSUES

**PRACTICE-ORIENTED APPROACHES AND REMEDIES IN ROW ISSUES**

**TUESDAY & WEDNESDAY, SEPTEMBER 13 & 14, 2022 \* 1:30PM TO 4:45PM via [Zoom](#)**

Learn everything you need to know and the best practices in solving your Right-of-Way (ROW) problems and challenges.

This three-hour webinar will comprehensively discuss relevant laws including the new Right-of-Way Act, salient features of its IRR, modes of acquisition and transfer, guidelines and process of expropriation, rules on negotiated sale, standards for the assessment and compensation of subject properties, environmental issues, strategies, judicial and administrative remedies for attendees to become more effective and efficient in expediting their ROW access.

Attendees will also gain valuable and practical insights from an expert's experiences on how to deal with the government when your property is being expropriated. NO long-winding lectures. Enroll and we'll tell you everything you need to know to help you solve your ROW issues!

**Course Director & Lecturer: [Atty. Edsel F. Tupaz](#)**

He headed the right-of-way acquisition and enforcement of DPWH and was in-charge of resolving all ROW issues both in the national and the regional level on all infrastructure projects of the government under the Build Build Build program. He designed and implemented nationwide policies and rules for ROW, including the latest DPWH Right-of-Way Acquisition Manual (DRAM).

He obtained a Master of Laws at Harvard Law School and became one of the youngest faculty at the New England School of Law, Boston, and Massachusetts. He currently serves as the Partner of Gorriceta Africa Cauton & Saavedra.
